**TC-Download TWICE**  
**Simple Read out and evaluating of Digital EC-Tachographs and Driver Cards cost-effective**

# TachoControl DATA

Intelligent Data Management

## TC-Download TWICE

With this Download tool you have a cost-effective and easy possibility to read out the mass storage of the digital EC-Tachograph, as well as the Driver Cards and to evaluate via our proven TCD-TachoView-Software.

The download of the mass storage occurs directly via the integrated cable. The driver card will readout as a complete copy via the Chipcard reader. The data is stored on a memory-card and can be transferred via a USB-cable or directly by inserting the memory card on a PC / Laptop.

## Technical DATA / Scope of Delivery:
