

## Separate contractual conditions for dealers on the web platform of TachoControl DATA GmbH

After registering as a dealer on the TCD website's dealer portal, the following separate contractual conditions shall apply, in addition to the contractual conditions already found on the website:

- 1) TCD shall be free to decide who is accepted as a dealer after registration and will confirm the dealer's registration separately if necessary.
- 2) TCD shall have the exclusive right of representation for the dealer's customers. This obligates the dealer to waive all rights of the customers named by him/her with respect to TCD.
- 3) The dealer shall undertake to ensure that his/her customer provides a link to the TCD website. At the same time, the dealer shall also provide a link to TCD's website.
- 4) The dealer shall receive a one-time commission of 20% on goods ordered by the customer in the TCD web shop, for customers identified to TCD by name.
- 5) In addition, the dealer shall receive a commission of 20% on fees booked (not for SIM or telephone charges) for customers registered in the TCD web shop via the dealer's account, but for a maximum period of 12 months from the conclusion of the contract.
- 6) Payment of the dealer's accrued commissions shall be made 14 days after payment of the invoices issued by TCD to the customer. Payment shall be made from a minimum commission amount of 20 euros. Smaller amounts of up to 20 euros shall be collected and paid.
- 7) The payment of the commission shall be made to the bank account specified by the dealer by SEPA transfer or to the credit card provided.
- 8) The dealer is not permitted to offer, sell or broker competing products. Should this be disregarded by the dealer, the dealer shall lose his/her dealer status, including the right to receive commission payments, with immediate effect from the time the breach of the condition in section 1 becomes known.
- 9) The dealer has the right to add his/her company logo and address to the advertising brochures and to reproduce them.
